Description of Events:

***LCC** The Land Conservation Celebration brings together over 100 supporters each Fall to celebrate the land and those who have dedicated their lives to open space preservation and land conservation in our region. This year's event on October 14 is still in the planning stages but will focus on *A Taste of the Land* and showcase the farmers who toil tirelessly on this land. We promise you a late afternoon of fine food and drink sourced from local farmers, great conversation and an opportunity to celebrate the local conservation community.

***HHT** The Historic House Tour each Spring offers over 300 attendees an intimate look into the homes and lands of the past and present in southern Ulster County. This year's spring house tour, which will take place on June 1st, 2019, explores the fascinating legacy of Rosendale.
